Self-Referral to Physiotherapy

Physiotherapists have skill in the assessment and treatment of injuries and conditions that affect muscles, joints and soft tissues such as low back pain, shoulder pain, neck pain, recent injuries or joint and muscular pain.

If you are suffering with a similar condition, and would like to see a physiotherapist for an assessment please complete the attached referral form.

- You must be registered with a Dorset GP
- You must be 16 or over
- This service is NOT available for <u>neurological</u>, <u>gynaecological</u> or <u>respiratory</u> condition. Your GP or nurse practitioner will refer you with a letter in their usual way.
- For treatment after a recent <u>operation or fracture</u>: Please ask your consultant to refer to us which will include all required information

If you have any concerns you can always be referred to physiotherapy in the usual way with a letter from your GP, Consultant or Nurse.

Please complete the details on the following page and send to your local Dorset HealthCare Physiotherapy Department:
